

# WHAT ARE THE NARRATIVES BEHIND A SPECIFIC LINK?

It is important to frequently return to the original quotes associated with each factor or link to **understand how different stakeholders interpret and talk about key concepts**. This can be done in Causal Map by clicking on a link in the interactive map, or by printing out quotes for a particular filter (e.g. just for a single bundle of links) with additional context and metadata.

Bundle: Snapping/saying something sharp >> Feeling guilty
