

★ ADD QUALIA TO YOUR NEXT BID

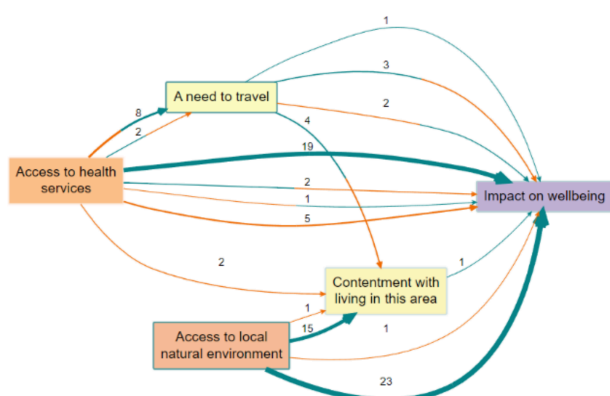

Interviews are **deep but expensive**. **Questionnaires** are **cheap but shallow**.

Qualia is our AI interviewer. Qualia can conduct conversational interviews with any number of respondents, in almost any language.

We find that respondents are on average more candid with Qualia than with a human interviewer. As with any data collection, some respondents don't complete. But we find

Put Qualia in your next bid:

- Conduct some KIs face-to-face and then get Qualia to follow the same interview guideline but extending your reach to dozens or hundreds of stakeholders.
- Why bother with a traditional questionnaire when you can use Qualia to find out what people are **really** thinking, but at the same scale?

Qualia interviews are very cost-effective. Often, clients engage us for a day or two to help with setting up and monitoring the interview.

You get an automated report. Or download the transcripts for further analysis. Or we can use Causal Map to make sense of the stories at scale.

Qualia interviews can be **fully GDPR-compliant**.
